# WHAT WOULD IT BE LIKE TO BE AMY GOODMAN?

Addendum 1

From Webster G. Tarpley, *9-11 Synthetic Terror: Made in USA*  
(3<sup>rd</sup> Edition, 2006), p. 472.

But as long as Bush can keep his base of 30-35% of the US population, he can wage war in Iraq indefinitely, and possibly widen that war to Syria and Iran. Bush's hold on his base is due largely to the power of the 9/11 myth over certain parts of the American people. Whenever Bush is held accountable for anything, his response is to cite 9/11. There is only one way to erode Bush's hard core base, and that is by attacking the 9/11 myth. Destroy the 9/11 myth, and the September criminals may be called to account. Destroy the 9/11 myth, and Bush will be neutralized. Peace-loving governments and institutions around the world must address this task, with a campaign of denunciation, exposure, and political education on the truth about 9/11 and the nature of terrorism. One vehicle for this would be an Independent International Truth Commission on 9/11, modeled on the Russell-Sartre Tribunal for Vietnam. The convocation of such a truth commission for 9/11 is more urgent than ever, and should be top priority for anti-war forces well before the Congressional elections a year from now.
