- 1) **AGAIN, THE LETTER I SENT TO READERS ON 2/21/2007**

Dear Readers of *A Nation Gone Blind*, Other Recipients, and Friends:

Kevin Barrett brings more good news, this time by way of Professor Bruce Lawrence, according to Kevin the head of Duke University's Religious Studies program, who, with <http://www.globalresearch.ca/index.php?context=viewArticle&code=SCH20060601&articleId=2555> others, has gone on record to say that Osama bin Laden never was the 9/11 perpetrator and that the Bush administration has been lying about Osama's role and about his identity for five years.

As you can see for yourself by taking a look <http://mujca.com/hoax.htm> at Kevin's new article, the case is strong and clear. I'm sending his piece to Hillary Clinton and Charles Schumer, senators from New York, and I'm sending the link to all of you. I hope you'll also spread it far and wide. Even if the nation isn't completely blind to the murder and treason that have been committed by its leaders, it may as *well* be blind until such time as its citizens say or admit in writing or in spoken words that they know the truth.

Read Kevin's piece, along with its several links, see what you think, don't be afraid, and—as you see it—think, speak, say, and write the truth as widely as you can. Otherwise, no matter what happens in the next election, the U.S. will remain a prison state with thuggery as its foreign policy, lies of cover-up and silence as the universal practice of its media, and every legality in place and every trigger cocked in the interest of bringing about, whenever convenient or expedient, martial law.

Study the truth, read the truth, tell the truth, insist on the truth. As for the alternative, it's no way to live, believe me.

THE ERROR IN MY LETTER OF 2/21/2007

My error—or my jumping to a conclusion not shared or expressed by Bruce Lawrence—is in the words I wrote to the effect that Lawrence “has gone on record to say that Osama bin Laden never was the 9/11 perpetrator.”

Please note: That isn't true. I mean, it isn't true that Bruce Lawrence went on record to make *that* assertion, and I therefore hereby apologize for my clumsy error and furthermore—can a person do this?—withdraw it.

The accurate story is phrased this way, by Kevin Barrett <http://mujca.com/hoax.htm> in his own announcement:

“Is the famous [Osama] ‘confession video’ genuine? Despite Bush's insistence that the tape is authentic, America's top academic Bin Laden expert has finally gone on the record, [joining numerous other experts](#). ‘It's bogus,’ says Professor Bruce Lawrence, head of Duke University's Religious Studies program.”

For those interested, here's a piece, not wholly favorable, that Kevin Barrett recommended to me *about* Bruce Lawrence's book, http://www.icssa.org/article_detail_parse.php?a_id=712&rel=&pg=1&m_link=15 *Messages to the World: The Statements of Osama Bin Laden*.

SOME LINKS TO RECENT SIGNIFICANT NEWS BREAKS IN 9/11 TRUTH THAT YOU WON'T FIND IN THE PAPER, SEE ON THE NEWS, OR HEAR ON NATIONAL PUBLIC RADIO

A) The Kevin Barrett news release itself about Barrett's <http://mujca.com/hoax.htm> radio interview with Bruce Lawrence and the "bogus" Bin Laden "confession" video.

B) The extraordinary Sander Hicks essay on *AlterNet*—about Wolfgang Bohringer, Atta's best buddy (his "brother") from Florida flight-training days having been in actuality <http://www.alternet.org/stories/45726/> a figure working for the CIA.

C) Joseph Murtagh's *Muckraker* <http://www.muckrakerreport.com/id358.html> piece on the Jersey girls, "9/11 Widows Keep on Asking the Tough Questions"—with its request for signatures to the Jersey girls' petition (<http://www.petitiononline.com/july10/petition.html>).

D) Joseph Murtagh's big news that <http://www.muckrakerreport.com/id359.html> "Noam Chomsky joins 9/11 "Jersey" widows in calling for release of 9/11 documents."

E) Sherwood Ross's piece, "America! If You Will Not Impeach This Tyrant, Who *Will* You Impeach?" The Ross (sherwoodr1@yahoo.com) piece doesn't qualify as news in the same way as some of the above do, but reading it is so bold, heartening, moving—and perhaps even enraging—an experience that it's worth doing well more than once.
